

# January 2018 at christ church moreton

Dear friends at Christchurch

## HAPPY NEW YEAR

Another New Year has begun. I wonder what your thoughts were as 2018 dawned. For some there will have been excitement – looking forward with big plans. For others, there will have been anxiety – uncertainty about what the coming months will hold.

Back in November when we started our Sunday morning series on Philippians, we were reminded of what Paul wrote to that church: *that he who began a good work in you will carry it on to completion until the day of Christ Jesus*. Philippians 1:6. Whatever happens this year, if you are a Christian, God will be at work bringing you to maturity in Christ,

But as we saw last Sunday, that doesn't mean that we can sit back and leave God to get on with it. It is as we work out our salvation – as we live out the new life which he has given to us through Jesus – that God will be at work in us (Philippians 2:12-13). It is as we give ourselves to Making Disciples, Growing Disciples and Being Disciples, that we will find that it is God who is at work Making Disciples, Growing Disciples and enabling us in Being Disciples.

So – are you ready to do that in 2018 – to get stuck in with living out your salvation? Maybe our new '*Life Explored*' course is something that you would like to bring a friend to. Or to come along yourself, to be reminded of how wonderful the things that God has done for us are, and to be better equipped to share that with others. Maybe you'll want to join a home-group, or our new Introduction to the Bible course. Maybe you'll seek new ways of serving – working with Kat with our children and families, or helping with Food bank or Family Pack.

In 2018, it is as you work out, that God will work in, and that will bless you and bless others.

Yours in Christ

*Graham Cousins*
