

SUNDAYS at 9.00 am & 10.45 am

**THERE'S GOT TO BE
A BETTER WAY!**

Credit crisis, financial insecurity, drink-fuelled violence, a 13 year old by becoming a dad. Just one day in the national press. Look at our society today, and it is painfully obvious that something is wrong.

Several hundred years ago theologians identified '7 deadly sins' And still today, those things are deadly – they destroy relationships and lives. But Jesus shows us a better way.
