Last week we saw the start of God's great plan of Salvation. But the plan had many twists and turns along the way, as we will see clearly in the life of Joseph this week. Joseph was hated by his brothers sold into slavery falsely accused and imprisoned, and yet through all this God was working out his sovereign plan. At the end Joseph could tell his brothers "you intended to harm me but God intended it for good to accomplish what is now being done the saving of many lives". And in that we see a hint of what the Lord Jesus would do for us.
